### "THE FEEDLINE"

DEADLINE NEXT ISSUE  
IS December 12  
EDITOR  
Scott Duncan KK8D

On Wednesday, January 16, 2012 the Canton Amateur Radio Club will be holding our annual club awards banquet. This year we will be hold the banquet at John's Grille, 2749 Cleveland Ave., N.W. Canton, Ohio.

Social time will start at 6:30p.m. with dinner at 7:00p.m.

This year we will ordering from the menu. Although reservations are not necessary, we would like to get a head count so we can let the restaurant know how many members will be attending. If you know you will be attending please drop me an email letting me know many will be in your party. If you decide at he last minute you can attend no problem, come on out.

I was informed that the W8AL website has the Banquet listed as being held at McCalls Pub. This is incorrect.

Les Myers KK8K will be our Master of Ceremonies and the presenter of our annual awards.

Our speaker for the evening will be Mr. Tim Reichel from the Stark County Chapter of the American Red Cross. His topic will be "Hurricane Sandy Relief Efforts"

The officers of the C.A.R.C. hope that you can attend this years banquet.

## **CARC BREAKFAST**

**This months breakfast will be held at Gulliver's Truck Stop, located at Rt77 and Faircrest. Enter the restaurant on the West or North side of the building.**

**Time: 8:30 a.m.**

**I have heard some complaints that we are playing musical restaurants since the Nazir Grotto closed their doors for breakfast. We tried John's Grille but the seating arrangement was not suitable for holding conversations as a group. Clinton Lodge was our next stop which worked out well but they were unable to accommodate us this month. So this month we moved to Gulliver's. As soon as we can find a permanent home for breakfast we will inform the members. Until then please understand we are doing our best.**

## **DUES ARE DUE**

**2013 CARC membership dues are now due. I have included on page 3 an application form along with an attached .pdf file. If you have not paid your dues please do so now. The club depends on your dues in order to pay for various club functions such as Annual Banquet, Field Day, Annual Club Picnic, Holiday Party and club insurance.**

**If you are planning to pay at the banquet please print out the form, fill it out, and place the form along with your money in an envelope, with your name on it, and give it to Roger Gray W8VE at the Banquet. Please do not just hand him money without application form. As past Treasurer it is not fun coming home from the banquet with a pocket full of dues money and no clue where it came from. And I'm sure Roger wants to enjoy the evening and not spend his time filing out applications.**

## **Articles Needed**

**As the editor of the Feedline I am asking for article to be included in the Feedline. I have had several members forward articles, but we need more. They do not necessary need to pertain to amateur Radio. If you have an article that you feel would be of interest to the membership please send it to me.**

**Speaking of the Feedline I have taken on a new appreciation for what Dale NX8J went thru getting the Feedline published monthly.**

**I am trying to do the best I can to get the notices and Feedline out in a timely manner. BUT this is not my only job and I do have family obligations, along with my day job. There may be times that I miss a month but will try and keep those to a minimum.**
